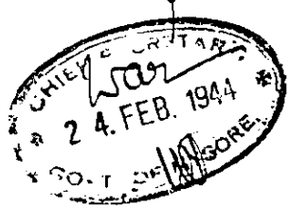
SIR,



SUBJECT: A.R.P.Organization - Disposal of equipments

I have the honour to state that the President, Mysore City Municipal Council and Ex-Officio A.R.P.Controller (who is the Chairman of the Poor Feeding Committee) has, in his letter No.548/43 dated 4th/9th February 1944 (copy of which is reproduced overleaf),stated that 26 buckets which were given to his charge for A.R.P. purposes are being made use of by the Mysore City Municipal Council in connection with the Poor feeding arranged by the Poor Feeding Committee out of the Palace Funds.

The A.R.P. Controller was requested in this office letter No.AC.1858/42, dated 4th February 1944, to hand over all the A.R.P. equipment to the charge of the District Superintendent of Police, Mysore District, for being kept in the safe custody so that the same may be made available in case the A.R.P.Organization is revived.

When there are separate funds available for the purposes of poor feeding, it is doubtful if it was really necessary to make use of these buckets. Moreover these buckets may be found unserviceable should they be required for the use of the A.R.P. in case if it is revived again

In these circumstances, I solicit orders of Government regarding the transfer of the buckets to the Mysore City Municipal Council as requested by the President of the Council.

I have the honour to be,
Sir,
Your most obedient servant,

S. Narayana

Inspector General of Police.
